

Sold Out Youth Foundation Alcohol / Drug Abstinence Education Program

Parents,

The Sold Out School Alcohol and Drug Abstinence Education Program is proud to work with your school district in providing 100% Alcohol and Drug Abstinence Education training for your student(s), and a Fentanyl Education video presentation. Fentanyl is the number one killer of teenagers in the US, 22 students a day are dieing, and over 90 % of fentanyl deaths are accidental. Sold Out will be executing the online program in your schools shortly (TBA). The reason for this letter is to make you aware of the 365 online school engagement program Sold Out will be making available for schools, students, parents, and community. The program provides vital information in order to protect you and your students. We are also including a very helpful parental drug and alcohol education website with all sorts of valuable life - saving research, tools, resources, and helpful information to keep you and your students safe. <https://soldouttv.com/parental-curriculum/?ppwp=1> Password- parent100

In their classroom Sold Out will be providing an opportunity for your students to take a three (3) step pledge to be drug and alcohol abstinent (click link below). Step three (3) of the pledge encourages your student to come home and tell you about the decision they made to choose drug and alcohol abstinence. This is a great opportunity to begin to engage with your student in a conversation about this critical subject. We hope you take advantage of the opportunity to have this important initial discussion with your student, and continue to encourage them in their decision to be drug and alcohol abstinent. <https://soldouttv.com/the-sold-outpledge/>

“The Sold Out Program was presented for First Flight School, where my daughter is a student. We watched the online program together, and discussed the content, she took the pledge immediately after finishing! Soon after we were on vacation with another family who had decided their daughter could have a drink. It was not even a temptation for my daughter, having had the opportunity to sign the pledge offered by Sold Out! Which made for a proud mom and an equally proud student! I highly recommend the Sold Out Program.” **Joan - Parent, First Flight Middle School, Kitty Hawk NC**

Sold Out's Mission is to educate, encourage, and challenge students to live a life of alcohol and drug abstinence in order to significantly lessen, if not eradicate, the number of young individuals who are dying each year from alcohol and drugs, specifically fentanyl.

Sold Out is a comprehensive 100% online alcohol and drug abstinence student engagement program (NC, CA, AZ, FL, TN, GA). Delivering immediate student feedback through a in school QR Code Pledge Poster. The program benefits grade, middle, and high schools. Sold Out's 100% online system features: Parental education curriculum and platform, school staff & counselor training. This proactive program is risk mitigating, sustainable, computer friendly, turn-key, flexible online visual learning, and with measurable results. Providing critical up to date education for students, parents, and school staff. For more information go to the Sold Out's Official website at www.soldouttv.com.
